THE COMPANY

GREENFIELD Leasing Services Ltd. specializes in equipment, consumer and household Leases, Financial Advisory services and project financing for organisations and high networth individuals. We financially enable organizations and individuals seeking new and fairly used equipment. We work with small, mid-sized and large companies alike to approve financial programs that would meet their specific needs.

Greenfield Leasing Services has stamped its footprints on the Nigerian leasing landscape. She is noted for her uncommon values creation, reliability and service excellence which have combined to give the company a reputable character. The company has a reputation larger than the size of her balance sheet.

BENEFITS

- Effective Cash flow management Flexibility & Convenience
- 70% Financing
- Tracking of leased asset
- Repayment options between 6 - 12 months
- Easy repayment plan (Weekly or Monthly)
- No additional Collateral
